

1 John 5:13-21

Here's a few ideas for you to continue learning, reinforcing and growing together from Sunday's sermon. It's a bit like what we might do in C3 tots but for families. Praying you have a great time together in God's Word.

Big idea: Keep yourself from idols, there is nothing worth swapping for Jesus.

What you'll need: A laptop & sound, hello song at the ready, whatever you might need for 'Swap', Jesus is the best print out and anything you'd like to use to decorate.

You can find lots of songs on the [C3 Tots playlist](#)

Activity Ideas

Swap!

Could you play a swapping game: do you have any games at home that involve swapping? Or you could play some music and when the music stops you've got to make a swap...of e.g. a toy?

To set up the idea that there is nothing worth swapping for Jesus (keep yourself from idols).
