

Why read the Bible in a year?

The Bible is God's Word (2 Peter 1:20-21; 2 Timothy 3:16) about Jesus (Luke 24:25-27; 44-47), and the way we get to know Him and have eternal life (John 5:24, 39-40; 2 Timothy 3:15). The Bible is God speaking to His people that we might delight in Him and cherish Christ. The Bible also tells us how to live as God's people (Hebrews 4:12; 2 Timothy 3:16-17; Romans 15:4) so we might please Him.

Christians will want to spend good amounts of time in His Word. Reading the Bible (or listening) in a year can be a good way of doing this - not so we can be proud about having read it, but rather so that we can be humbled before the Author, knowing Him better and being changed by Him. Reading the Bible in a year *together* will help us continue during harder or busier times of the year.

Of course, feel free to do the plan over two years by reading two chapters a day, or four years by reading one chapter a day.

How should I read it?

Pray before you read. Don't worry if you don't understand everything, or even if there is lots you don't understand – we all have lots to learn and we all have to start somewhere! As you read, have a think about these questions:

- Where am I in the Bible's one story?
- What does this passage teach me about Jesus?
- What should I thank God for?
- What does this passage teach me about being one of God's people?
- What should I ask God for?

Then, pray about what you've read.

We're praying God will use this year of Bible reading to bless us all.
